

KS1 Home Learning - Year 1 and Year 2

4th October 2021

Please use the following to support home learning during this time – further document will be available for the duration of your isolation. To help us feedback to your child, please can you email all your work to:

Year1and2@fr.coastandvale.academy or **drop off** all your work at school if and when safe to do so. A member of staff will telephone to talk to your child about their learning. Please continue to check the website:

<https://www.friarage.org.uk/> and Facebook page www.facebook.com/friaragecpschool/ for all updates.

Mathematics

This week Year 1 children will be ordering objects and numbers.

Please follow the link below.

<https://classroom.thenational.academy/lessons/ordering-two-or-more-numbers-within-10-ccr32c>

This week the Year 2 children will be practising their counting in 2s, 5s, and 10s. We will be learning to count in 3s and starting to look at addition and subtraction facts to 20. Please follow the link below.

Writing

This week Year 1 children are reading the story 'The Little Red Hen' and writing sentences about the characters in the story. Watch the story here

<https://www.youtube.com/watch?v=2E72TZyOLNo>

This week the Year 2 children will be continuing to work on writing good sentences using our under the sea theme as a stimulus.

Remember your sentence must include -
-A capital letter
-Fingers spaces
-And a full stop.

If you have been sent a text remember, to log into your Read, Write Inc on-line lessons.

Reading

Practise reading your reading book each day. Are there any tricky words that you need to practise?

(Remember you can use Fred talk to help you to read difficult words)

Choose from the following Spellings to practise:

no	she
me	be
put	ask
a	says
today	our

Other Online and Offline Activities

Phonics

Alphablocks

<https://www.bbc.co.uk/iplayer/group/p08h6t63>

National Literacy Trust Activities

<https://literacytrust.org.uk/family-zone/>

Science – Habitats

Can you draw a picture and label 2 different habitats? You could choose a polar habitat, an ocean, a rainforest...

You could write sentences to describe the habitat and which animals and plants live there and why.

Use the videos to help:

Harvest

We are continuing to practise our Harvest Song – lyrics below.

Be Creative

Can you create an under the sea picture. What could you add to it? Perhaps there is a treasure box on the ocean floor amongst the seaweed?

Write a book review.

Read your favourite story and review it. What was your favourite part?

Thinking outside the Box

What would you do if you had an eye on your hand?

Habitats and micro habitats

A habitat is a home environment for plants and animals or other organisms to grow. Examples of habitats include, a desert, meadow, woodland, grassland, forest, seashore or an ocean.

A micro habitat is a very small, specific Habitat for animals and plants, for example a rock pool or a rotting log.

Key vocabulary

habitat, microhabitat, seaweed, rocks, sands, shelter, predator, living, dead, never alive, human feature, physical feature, coastline, cliff, ocean, beach, sea, rock pool,

Under the Sea

The sea closest to Scarborough is the North Sea.

Human and physical features

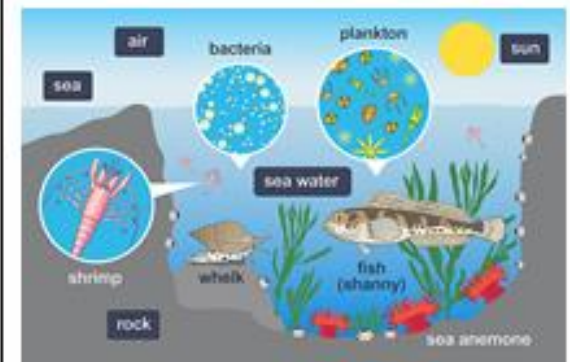

Physical features show natural objects such as mountains, beaches and rivers.

Human features are things that are built by humans such as bridges, houses and roads.

Rock pools

Rock pools provide shelter from waves, allowing fragile animals and plants to live on an otherwise exposed rocky shore.

The animals you might see are in a rock pool are sea slugs, shrimps, small fishes, star fish and seaweed.

It's Harvest Time

It's harvest time, (Harvest time) - It's harvest time, (Harvest time) - It's harvest time,
Let's celebrate it!

We're here to give our thanks, for the good things that we have, celebrate, celebrate, it's
harvest time.

China is the place to go for paddy fields of rice, food from ev'ry corner of the world.
If we work together we can lend a helping hand - food is precious, gathered from the land.

India is busy growing diff'rent kinds of tea - food from ev'ry corner of the world.
If we work together we can lend a helping hand - food is precious, gathered from the land.

Spain is growing oranges and lemons just for you, food from ev'ry corner of the world.
If we work together we can lend a helping hand, food is precious, gathered from the land.
