Task 1

Goldilocks & The Three Bears

<https://www.bbc.co.uk/cbeebies/stories/story-time-goldilocks-and-the-three-bears>

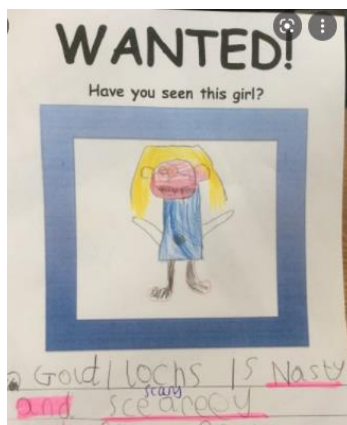

Can you retell the story? Try using different voices for the three bears, just like we have been practising at school. Maybe you could make of find some props to help you get into character and act out the story for your grown-ups.

Task 2

Writing

Can you create a Wanted Poster for Goldilocks?

Draw a picture of Goldilocks and then use your phonics to help you spell words to describe her.

Do you think Goldilocks is a good person or a bad person? Why?

Task 3

Maths Number 6

Watch Series 2, episode 6: Six
In this episode children practise recognising the spot patterns on the dice without counting. This is known as 'subitising'. Being able to subitise small quantities has been shown to be a key skill in successful maths learning.

<https://www.bbc.co.uk/iplayer/episode/b08pgksd/numberblocks-series-2-six>

Play with a dice, roll the dice and say the number together, then take turns in saying the number. If you do not have a dice you can find a virtual one on the internet.

Task 4

Your daily phonics tasks will be sent each morning via Parent App or text.
