

KS1 Home Learning - Year 1 and Year 2

24th January 2022

Please use the following to support home learning during this time – further document will be available for the duration of your isolation. To help us feedback to your child, please can you email all your work to:

Year1and2@fr.coastandvale.academy or **drop off** all your work at school if and when safe to do so. A member of staff will telephone to talk to your child about their learning. Please continue to check the website:

<https://www.friarage.org.uk/> and Facebook page www.facebook.com/friaragecpschool/ for all updates.

Mathematics.

In Year 1 we are adding within 20.

What number is this?

14

What number is this?

13

Starting from the bigger number and counting on helps us find the answer quicker. Try this with the sheets below.

Year 2. Re capping doubles

Do you know all your doubles to 20? Complete the sheet below.

Double 5 is 10

$$\begin{array}{|c|} \hline 5 \\ \hline \end{array} + \begin{array}{|c|} \hline 5 \\ \hline \end{array} = \begin{array}{|c|} \hline 10 \\ \hline \end{array}$$

Writing

You can listen and watch the story here

<https://www.youtube.com/watch?v=CMO9PjFoyxo>

Our story this week in Tabby McTat by Julia Donaldson.

Tabby McTat is a buskers cat who can't find his owner so he finds a new life. But his owner is also looking for him.

Can you make a lost poster for Tabby McTat? You could draw a picture of him. Write sentences underneath describing him. What does he look like? Use lots of describing words. What noises does he make?

You could write about how much you miss him and how you would feel if he was found.

If you have been sent a text, remember to log into your Read, Write Inc on-line lessons.

Reading

Practise reading your reading book each day. Are there any tricky words that you need to practise?

(Remember you can use Fred talk to help you to read difficult words)

Spelling

Practise spelling the green speedy words from your Read Write Inc book.

Other Online and Offline Activities

Phonics

Alphablocks

<https://www.bbc.co.uk/ipl:8h6t63>

National Literacy Trust Activities

<https://literacytrust.org.uk/family-zone/>

Theme: DT design and make a puppet.

Could you design a puppet and make it with any material you have in the house? Sock puppets work really well. Who is your character going to be? Big bad mouse? Tabby McTat? Farm animal? Will you sew or glue your puppet? Draw on eyes? Or sew on buttons?

YOUTH
SPORT
TRUST

Science- Humans

Keep clean: We are learning the importance of keeping clean. Why do we wash our hands? Try a home science experiment and take a piece of bread and rub it over your hands, next wash your hands and do the same to another piece of bread. Label them and Place them somewhere you can watch it over the next 5 days. Write down what has happened? What has caused it?

Be Creative

Can you create a collage of different cat faces? Patches, tabby stripes, different coloured ears? Google cat images for some ideas

Get Thinking.

My friend says there is only 6 ways to make the number 20 are they correct? Can you do a number investigation into how many ways there is? You could start at $19 + 1 = 20$ and go from there.

Year 1
Maths - Counting on

$9 + 4 =$	
$11 + 5 =$	
$8 + 3 =$	
$2 + 12 =$	
$10 + 7 =$	
$4 + 15 =$	
$16 + 1 =$	

--	--

Make doubles

I Complete the sentences.

Use the pictures to help you.

a)

Double 1 is

b)

Double 2 is

c)

Double

is

d)

Double is

2 Match the doubles to the additions.

Double 3

Double 6

Double 10

Double 7

$6 + 6$

$7 + 7$

$3 + 3$

$10 + 10$

Double 15 is

Double 11 is

Double 12 is

Double 20 is

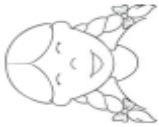

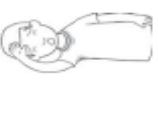

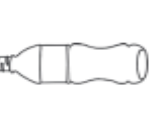

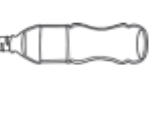

Double is 8

Double is 16

Being Active

Think about what happens to your body when you are active. Tick the correct box to show what can happen to the body during exercise.

	
Your cheeks might turn red.	Your cheeks might turn blue.
	
Your heart will beat slower.	Your heart will beat faster.
	
Your body may feel warmer.	Your body may feel colder.
	
Your skin might feel dry.	You may sweat.
	
You will not feel thirsty.	You may need a drink.
	
Your breathing will remain steady.	Your breathing may become harder and faster.
